

Town of North Greenbush Summer Camp

Week 3 Newsletter, 2026

This week at a glance...

Another great week here at Snyder's Lake! We had a very crafty week, with all campers making beaded animal crafts with beads, pipe cleaners, and string all led by our assistant director, Kara!

This week was spirit week! We had plenty of campers dressed up for each day's theme and showing their spirit at the pep rally! Each grade had a class color to represent their collective teamwork and pride!

On Tuesday, we took a NEW field trip to the Albany Ninja Labs full of obstacles, gymnastics, and warped wall climbing! Our 1st through 4th graders had a great time getting their energy out!

And on Wednesday, our older campers took their yearly trip to the Tri-City ValleyCats game! Despite the loss, they had a great time cheering **VAMOS GATOS!**

Coming Up Next Week...

We're halfway through our program here at the summer camp and we're looking forward to another fun week! We have an exciting scavenger hunt planned for Monday for all campers and counselors to complete! On Tuesday, some of our older campers are traveling to the Great Escape for a day of rides, waterslides, and all-out fun! Our younger campers will have their own day of amusement at Huck Finn's Playland on Thursday! On Wednesday we have another game show day with *Are You Smarter than a Camper*, and on Friday our Counselors will be facing off against the lifeguards in our annual volleyball match!
